WALLCOVERINGS

# Flora

Quality Wallcoverings designed, developed  
and produced in Germany since 1845.

# Flora

Blumen sind ein Alleskönner und erscheinen je nach Trend in neuem Gewand, von klassisch über romantisch bis hin zu opulent oder grafisch.

Flowers are all-rounders that take on a new appearance depending on the current trend: from classic through romantic to opulent or graphic.

Les fleurs sont polyvalentes et se présentent sous de nouveaux atours en fonction des tendances: classique ou romantique en passant par l'opulent ou le graphique.
